### Kung Hei Fat Choy!

BY EPICUREAN GROUP

#### YEAR OF THE OX

According to the Chinese Zodiac, the Year 2009 is the Year of the Ox. The Ox, or the Buffalo sign, symbolizes prosperity through fortitude and hard work. Those who are born under the influence of the Ox are fortunate to be stable and persevering. A typical Ox is a tolerant person with

strong character. Not many people could equal the resolution and fearlessness that the Ox exhibits when deciding to accomplish a task. The Ox works hard without complaints at work or at home. They know that they will succeed through hard work and sustained efforts, and do not believe in get-rich-quick schemes.
